Sir:

In response to the Office Action dated November 29, 2005, Applicant respectfully requests reconsideration of the rejections to all claims as previously amended with the submission of the Request for Continued Examination and as currently pending in the above-identified application as was discussed in the in-person interview conducted on December 22, 2005 between the Examiner and Applicant's representative. Applicant appreciates the courtesies extended to applicant's representative by the Examiner during that in-person interview. In particular, Applicant requests that the Examiner reconsider the failure of Bowman to disclose a generally inner wrap and a generally transparent outer wrap as recited in Claim 18 and that the combination of references of Bowman and Weder is invalid.

Applicant asserts that all claims as currently recited are condition for allowance. No fee is believed due for the submission of this Request for Reconsideration.

Respectfully submitted,
